

Child Individual Counseling

Individual Counseling

We offer a variety of therapeutic services for ages 0-17 in our children's outpatient office. Our licensed professionals will work with not only your child but the family as well. We will work with you and your child to help understand and resolve problems that your child may be facing. Diagnosis and Treatment specializations include but not limited to:

ADHD

Anxiety Disorders

Mood Disorders

Substance Abuse

Anger Management

Parenting Techniques

Trauma Related Disorders

Abuse

Depression
