

New Client Paperwork

Make your first appointment quicker by filling out your paperwork before you come.

At OBHAW we are committed to providing you with excellent and timely care. Our new client paperwork helps us get to know you. We realize that paperwork can be tedious and time consuming, so we suggest that you work on it prior to your first visit with us. Simply follow the link below that applies to you, click submit when you're finished, and we'll have all of your information when you come to our walk-in clinic.
